

2017 Regina Sport District Games Schedule

The majority of these events have different categories, such as age (55+ - 85+) as well as gender, mixed gender categories, distance and times in track and field; golfing has different categories as does bowling. There is definitely something for everyone! We encourage you to enter several events because most games activities cost nothing more than the \$10.00 membership. If you have any questions regarding the events or are interested in volunteering at any of the events, call 306 584-0104, 306 545-5131 or 306 545-6693. All events will be held dependent on number of registrations. The “tba” events will be filled or cancelled depending on interest on the registration dates.
