NOTE: All events depend on registration, however, if there are not enough registrations to have a competition in the Regina Sport District (i.e. some Track and Field events), and the competition is a Provincial event, you may go straight through to Provincials. A Saskatchewan Senior Fitness Membership is still necessary to do so and must be registered in that event in your home district i.e. Regina Sport District or whichever district you reside in. The Regina District Coordinators will be contacting all registrants who register in Regina. Remember
