

FROM THE PRESIDENT'S PEN

COVID-19 has had us staying home for a few months. Now the Government has allowed facilities to open up as per Stage 4 Guidelines; SSFA Saskatoon Sport District began to activate some activities; a list is included in the Newsletter.

All Activity Coordinators and Committee members must renew your membership to lead your activity and perform any duties on behalf of SSFA Membership plus contact all members in their respective activity for renewals.

All activities will be played under the Guidelines and Rules and Regulations of Covid-19; WE MUST follow them. If you are not feeling well, do not participate in any activity. If you do not feel comfortable going out at this time, please remain at home and stay safe & healthy. Some activities will be screening participants by asking all the questions before the start of play. Track and Field is preparing to do a Virtual Activity for its participants. Please call Judy Warick for information if any groups would like to get their members off the couch. Sorry, I could not explain the concept even if it is presented to me 101 times..... it is just not there!!!!

The Provincial 55+ Games Prince Albert Host Committee has also postponed hosting till early July 2021. The Canada 55+ Games Kamloops Host Committee has also postponed hosting till August 22 – 26, 2022. The 55+ Games scheduling gives us a lot of time to get back into shape to bring home those Gold Medals.

The City of Saskatoon Community Leisure Services has completed the retrofitting of the nine Pickleball Courts at Father Basil Merkle Park. They look very impressive.
